The screenshot displays the Udemy homepage with a purple header. The main banner promotes a Black Friday sale from £279.99. Below this, three course categories are highlighted: Generative AI (1.7M+ students), IT Certifications (1.4M+ students), and Data Science (8.1M+ students). A section titled 'Reimagine your career in the AI era' features a 'Learn More' button and a 'Starting at £254.00/month' price. Another section, 'Skills to transform your career and life', lists courses in Python, Digital Marketing, and Amazon AWS. The footer includes logos of partner companies like Volkswagen, Samsung, Cisco, Vimeo, PwC, Hewlett Packard Enterprise, Citi, and Ericsson, along with the text 'Trusted by over 17,000 companies and millions of learners around the world'.
